SECTION 1: GENERAL INFORMATION

1.1 INTRODUCTION

The Oregon Mint Commission (OMC) or Commission is issuing this Request for a Proposal (RFP) for administrative services to be provided from September 1, 2025 to June 30, 2026, with the option to renew annually. The Commission will begin the contract September 1, 2025 for purposes of transition and on-boarding.

Commission's intent for this RFP is to award a Personal Services Contract. Additional details on the Scope of the goods or services or both are included in the Scope of Work/Specifications section below.

The Commission must approve all contracts, including the administrative services contract, annually.

1.2 BACKGROUND

Oregon Mint Commission (OMC)

The OMC is a state commodity commission created under ORS 576. and works on behalf of over 100 producers of mint in the state of Oregon. The Commission is directed by a board comprised of five producers, one handler (first purchasers), and a public member who are all appointed by the Director of the Oregon Department of Agriculture (ODA). Committed to improving the industry, the Commissioners are volunteers; they have full-time jobs in Oregon's mint and agricultural industries.

The OMC meets an average of four times a fiscal year (July through June). The Commission does not have committee meetings. All business is conducted with the Commission as a whole at their regular meetings.

As an Oregon commodity commission, the OMC is authorized under Oregon Revised Statute (ORS) 576.325 to collect a mandatory assessment on mint oil grown in Oregon. The first purchasers who buy mint from the producers deduct the assessment of \$.12 per pound of mint oil from the producer, then send the assessments to the OMC office.

The OMC website is www.oregonmint.org

In addition to the mandatory assessments, commodity commissions are permitted to receive funds from other sources, such as grants for special projects.

All commodity commissions are public agencies established by the Oregon legislature. All commodity commissions comply with Oregon's public meeting and public records law, ORS chapter 192; Oregon government ethics law, ORS chapter 244; and other applicable state laws, rules and required financial reporting. All commodity commissions adopt budgets each year in a public hearing process set forth in ORS 576.416 and are subject to audit; see OAR Chapter 603, Division 42.

The Director of the Oregon Department of Agriculture (ODA) appoints all commissioners, who must meet qualifications set in ORS 576.225 and Oregon

Administrative Rule (OAR) Chapter 642, Division 30. Oregon State University (OSU) and the Oregon Department of Agriculture (ODA) are represented on the Commission by ex-officio non-voting members, designated by the OSU Dean and the ODA Director, respectively. The ODA Commodity Commission Oversight Program (pursuant to ORS 576.066) reviews the Commission’s annual operational plan, all contracts and other agreements, and provides resources and technical advice.

1.3 AUTHORITY AND METHOD

A Commission is authorized to enter into a contract for personal services pursuant to ORS 576.304(4) and 576.306(1) consistent with OAR Chapter 122, Division 50 and OAR Chapter 603, Division 42, as applicable. All contracts are reviewed by the ODA pursuant to ORS 576.306(9) and OAR 603-042-0010(10), and, for contracts exceeding \$250,000, the contract must be approved by the Oregon Department of Justice (DOJ) prior to execution.

Commodity commissions are authorized pursuant to ORS 576.051 to 576.595 to contract with an independent contractor for administrative services but may not contract to perform the discretionary functions of the commission. Discretionary functions do not include collecting assessments, scheduling meetings, processing payments or other administrative duties assigned by the commission.

Commodity commission contractors are independent contractors and not employees, eligible employees, public employees or employees of the state for purposes of Oregon law. A contractor may not be considered a public official, public officer, state officer or executive official for purposes of Oregon law.
